### Missionary Cooperative Appeal

*This weekend, August 4th & 5th, Father Balashou Reddy Yeruva, a priest of the Diocese of Guntur, India will be preaching this appeal here in our parish.*

The Diocese of Guntur was established February 13, 1940. At present there are about 220,000 Catholics in the diocese over a population of five million. There are 87 parishes with nearly over 500 mission stations. Our Catholics mostly belong to a poorer class who live in utter poverty unable to eke out a living out of their meager daily wages of agricultural labor which is only seasonal.

The diocese is situated along the seacoast and is subject to frequent hurricanes and floods, which devastate the houses of the poor people. Recent floods have devastated 35 villages of the diocese and thousands of people have been displaced with a total loss of their properties. The government has invited the diocese to help out in the relief and rehabilitation programs.

The literacy rate is abysmally low due to poverty and ignorance. In order to provide education the diocese has opened a good number of primary schools and high schools with boarding. The Diocese is working to create lasting change in the lives of these poor children.

The faith of the people is really strong and they practice religion and are committed to the church. We have organized the catholic communities in the villages in the form of basic Christian communities in order to strengthen the Christian faith and the gospel values. Basic Christian communities are formed in 120 villages in the diocese. We have also organized 400 women's associations.

The Diocese has to build chapels and churches in a good number of villages, since we have got every year over 2,000 adult baptisms. The problem of providing places of worship is over growing. The financial help support will help us in fostering vocations to the priesthood and religious life or building a chapel to the new communities or education of the poor children or building homes to the victims of floods. Your help and support will go a long way in helping the less fortunate people in the Diocese of Guntur, India. Thanking you.

Mission Coordinator for the Diocese of Guntur
